# Bringing your ideas to life

Do you have ideas for new toys that you want to turn into products?

Javana helps you to co-create innovative products. We design, develop, and manufacture white-label paper-based products.

## Full-service customisation

Are you looking for fun and learning products that you can sell under your own brand?

We have a range of educational toys that can be customised to fit your brand. We understand brand guidelines so we can provide full-service.

## Responsibly made in Sri Lanka

Javana has a fully equipped production facility in Sri Lanka.

We use responsibly sourced materials and are a socially responsible company.
